

SABBIONARE

## Cromia

Great commitment to the creation of this wine, a red version of the philosophy of extreme quality of the “Sabbionare” Upper Classic Verdicchio. The climate of the increasingly particular and unpredictable seasons rewards the two Montepulciano and Merlot vines differently; the pleasant game of blending these two great wines and aging in barriques produce the **Cromia**, structured and complex, with a colour that varies from deep red to garnet red in the different vintages.

### Wine Specifications

#### Flavour notes

Deep red, dark impenetrable, plum, raspberry, currant, pink pepper on the nose, followed by cinnamon and shades of cocoa with balsamic notes that surround the fruit with balance and discretion. Dense, juicy mouth that proceeds voluminously between fragments of liquorice and a tannin forerunner of great longevity.

#### Food matches

Game meats, braised, roasted meats.
